Choreographers note: If using original track keep dance at same tempo through the slow part of the song.

If using original towards the end of the music dance up to step 32 then step forward and wait for the "Kerrching" try to call it out at the same time!!

If using the remix the music finishes in a different place, so dance the "Dorothy steps, then the weave and finish on the "Step right to right, point left to left"

Don't forget to sing the high notes!!!
